

SOLUZIONI ALLEGGERITE PER L'INDUSTRIA DEL MOBILE E PER L'ARREDAMENTO

Lightweight solutions for furniture

*Quality without
compromise,
customized solutions
and service*

Dal 1992 produzione italiana di pannelli sandwich con anima in nido d'ape d'alluminio, e successivamente anche in lamiera grecata d'alluminio o d'acciaio zincato, rivestibili con i più svariati materiali e finiture: marmi e graniti naturali, ceramica, laminati decorativi, solid surfaces, legni pregiati, acciaio inox o metalli speciali:

- Qualità e servizio ai massimi livelli (certificazione TUV)
- Impiego di materiali innovativi
- Soluzioni tecniche customizzate
- Lavorazioni accessorie (taglio, squadratura, bordatura, pre-assemblaggio con inserti, sistemi di fissaggio)

Applicazioni nell'industria del Mobile e dell'Arredamento:

- Ante, porte di grandi dimensioni (applicazioni verticali)
- Tavoli, piani cucina e bagno (applicazioni orizzontali)

Qualità senza compromessi, soluzioni e servizio personalizzati

Since 1992 Italian production of sandwich panels with core in aluminum honeycomb and subsequently also in corrugated aluminum or galvanized steel sheet, to be covered with the most varied materials and finishing: natural marble and granite, ceramic, decorative laminates, solid surfaces, precious woods, stainless steel or special metals:

- Quality and service at the highest levels (TUV certification)
- Use of innovative materials
- Customized technical solutions
- Additional workings (cutting, squaring, edging, pre-assembly with inserts, fastening systems)

Applications in the Furniture industry:

- Cabinet doors and large doors (vertical applications)
- Tables, kitchen and bathroom tops (horizontal applications)

Pannelli Sandwich con anima in nido d'ape d'alluminio e in lamiera grecata d'alluminio o d'acciaio zincato

Sandwich Panels with cores in aluminium honeycomb and in corrugated aluminium sheets or galvanised sheets

PANNELLI PER IL SETTORE DELL'ARREDO: LEGGEREZZA - RIGIDITA' - PLANARITA'

Panels for Furniture: Lightness - Rigidity - Flatness

RAWCELL® Fiber honeycomb panel

PGA 1000, PGA 550, PGA 550+LZ, PGA NW, PGF, NETPLUS

Pannelli con anima in nido d'ape d'alluminio grezzi da rivestire, con pelli in rete o in tessuto in fibra di vetro impregnata con resina epossidica o fenolica, ideali per l'incollaggio di marmi, graniti, pietre naturali

Panels with aluminum honeycomb core without finish, with mesh or fiberglass fabric skins impregnated with epoxy or phenolic resin, ideal for bonding marble, granite, natural stones

RAWCELL® Wood honeycomb panel

MDF, OKU, POP

Pannelli di supporto per ulteriori finiture estetiche prodotti con pelli esterne a base legno in accoppiamento con anime interne in nido d'ape d'alluminio; la produzione prevede pelli in multistrato (okoumé e pioppo) e fibra di legno (MDF)

Support panels for further aesthetic finishes produced with external skins in wood-based coupled with internal core in aluminum honeycomb; the production includes plywood skins (okoumé and poplar) and wood fiber (MDF)

RAWCELL® Metal honeycomb panel

FP, FPA

Pannelli con anima in nido d'ape d'alluminio rivestiti con pelli grezze in lamiera d'alluminio e d'acciaio, particolarmente robusti e incombustibili

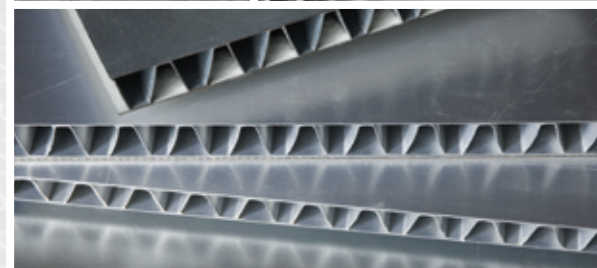

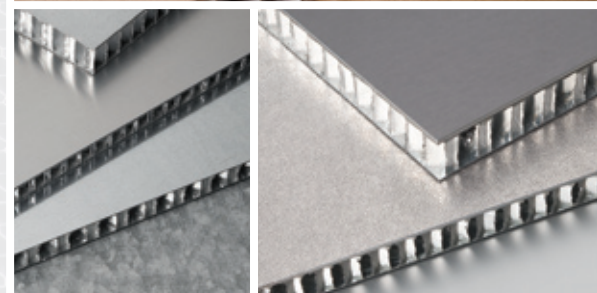

Panels with aluminum honeycomb core covered with raw skins in aluminum and steel sheet, particularly robust and non-combustible

STALUFLEX® corrugated panel

AL, ZN

Pannelli sandwich con anima in lamiera grecata d'alluminio o in acciaio zincato. Leggeri, rigidi, planari, incombustibili, riciclabili

Sandwich panels with a corrugated aluminum or galvanized steel core. Light, rigid, flat, non-combustible, recyclable
